SN-CO-MC Cable Organizer

19-inch Cable Organizer, 1U, Metal Cover

The cable organizer is designed for structured routing and management of copper and fibre patch cords in standard 19-inch cabinets and open racks. The organizer has a 1U design and is equipped with a removable metal cover for neat cable routing and protection. The steel mounting base provides organised cable routing within the organizer, while the removable cover allows convenient access during installation and maintenance. The organizer mounts directly to standard 19-inch rack profiles and is intended for indoor use.
