RACK ACCESSORIES

SN-CO-V
Vertical Cable Organizer

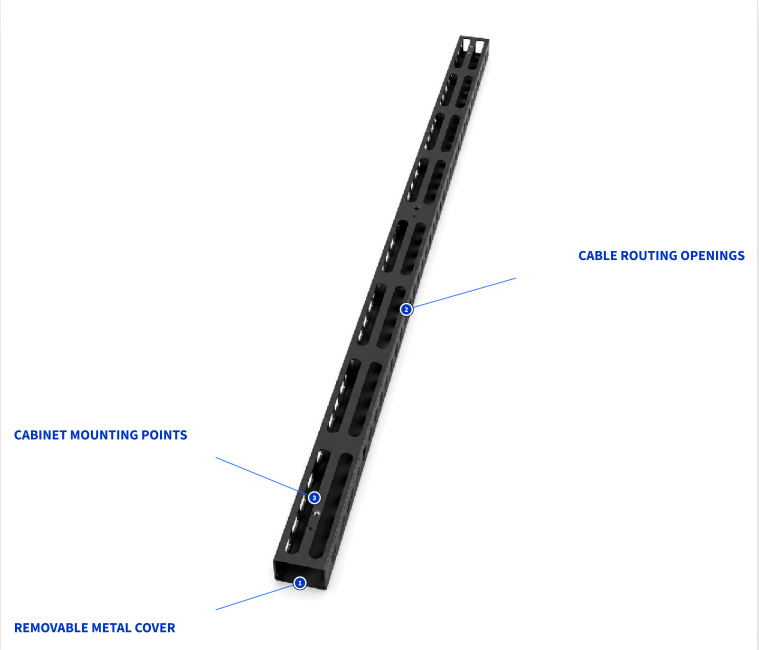

Vertical Cable Organizer, 42U / 46U, Removable Metal Cover

The SN-CO-V Vertical Cable Organizer is designed for structured routing and management of copper and fibre patch cords in 800 mm wide floor-standing 19-inch cabinets. It is mounted to the cabinet side mounting structure, and a removable metal cover helps retain routed cables inside the organizer.

1 Key Features

Cable Management
Provides organised vertical routing of cables and patch cords along the cabinet.

Removable Metal Cover
Provides convenient access to routed cables during installation and maintenance.

Flexible Cable Routing
Cable routing openings allow cables to enter or exit the vertical channel at the required height.

Cable Protection
The metal cover helps protect routed cables from accidental contact and external mechanical influence.

Steel Construction
Formed steel construction provides rigidity and durability.

Cabinet Side Mounting
Designed for secure mounting to the cabinet side mounting structure.

Patch Cord Management
Designed for routing both copper and fibre patch cords.

Powder-Coated Finish
Powder coating protects the steel construction against corrosion.

TYPICAL APPLICATIONS

- 800 mm Wide Floor-Standing Cabinets
- Network and Telecom Cabinets
- Vertical Patch Cord Management
- Vertical Cable Routing Inside the Cabinet

WHAT'S IN THE BOX

- Vertical Cable Organizer — 1 pc
